

Learning from Different Modalities of Development Co-operation

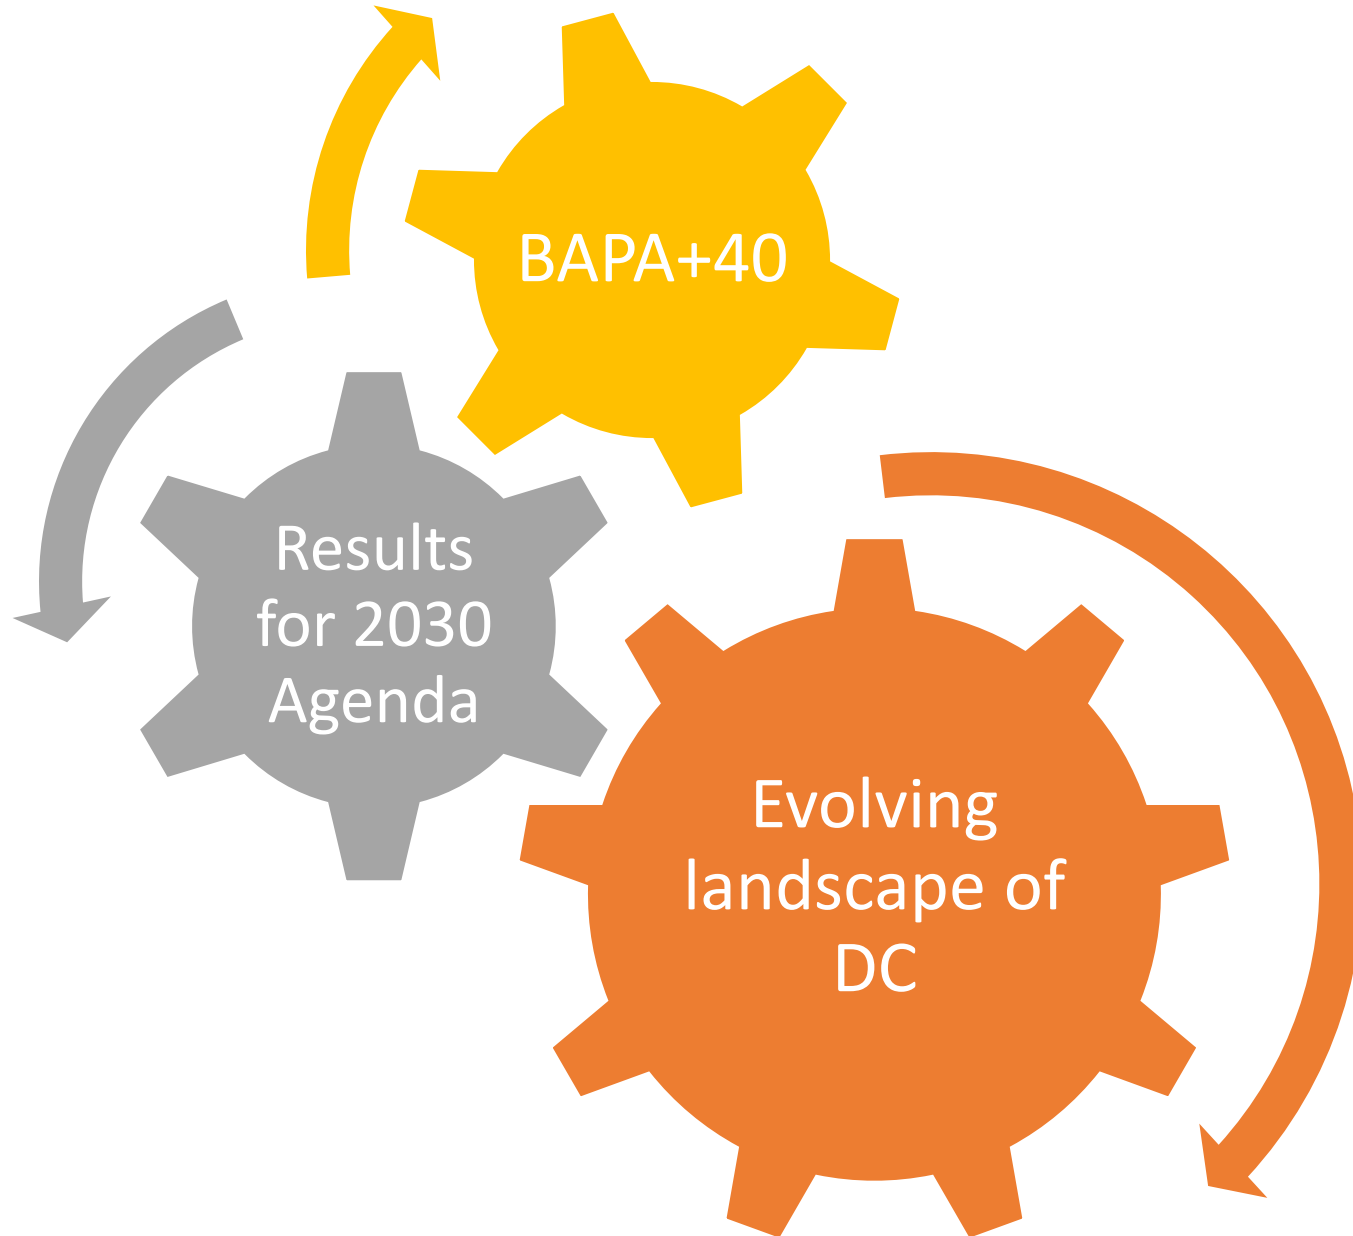

15th Steering Committee Meeting

21 April 2018

**Global
Partnership**
for Effective Development
Co-operation

Panorama

Global Partnership Strategic Output 5: Learning from Different Modalities: Specialised Policy Dialogue

GP's desire to better reflect & embrace diversity & scope of evolving DC landscape

- WP: hold a specialised policy dialogue before end of 2018

- GP with its multi-stakeholder approach is well-placed to contribute to building trust, promoting greater mutual understanding & learning & facilitating inclusive dialogue among all DC partners

Topic areas/options for a specialised policy dialogue

1

Effective private sector engagement mobilised through development co-operation

2

Effective triangular co-operation

3

Monitoring and evaluation of the results & impact of different forms of development cooperation

PLENARY DISCUSSION

-  Topic(s) for a specialised policy dialogue
 -  Identify external partners
 -  Identify leads and roles within the Steering Committee
 -  Discuss how to energise and intensify political outreach efforts with providers of “different modalities”
-
