<ul style="list-style-type: none"> • Determination of the scope of the monitoring: Côte d'Ivoire, after having participated in the 2014, 2016 and 2018 monitoring rounds, confirms its interest in the monitoring of the Global Partnership by committing to participate in the fourth round (2023-2026) including undertaking the evaluation of the Kampala Principles Assessment. In addition, Côte d'Ivoire, in view of its economic performance recorded since 2010, has joined the category of middle-income countries. Indeed, given the decline of its fragile country index from 101.2 in 2010 to 87.1 in 2023 and its removal from the World Bank's classification of countries in fragile situations, the country decides not to undertake the fragility adaptation. 		<ul style="list-style-type: none"> ○ National Coordinator; ○ Coordinator's technical support team; ○ Contacts
